Corporate & Commercial

Our corporate and commercial team have extensive expertise and experience in all aspects of corporate and commercial law and act for listed corporations, private companies and individuals in a wide range of industries.

We get to know our clients' businesses and work with them to deliver outcomes and solutions that meet their needs in the most effective and efficient manner available. Our clients value our pragmatic approach to 'getting the deal done' or 'solving the problem'.

We not only look at the legal issues in a transaction or matter, but also the wider commercial ramifications of our advice. Our lawyers are able to achieve this through a combination of our specialist legal expertise, strong industry knowledge and a deep understanding of our clients and their businesses.

Our expertise and experience

Our corporate and commercial clients are a core part of our practice and our team advise them on a wide range of issues affecting their business interests including:

- Commercial agreements
- Competition and consumer law
- Corporate structures and restructuring

- Debt and equity financing
- Directors' duties and corporate governance
- Due diligence
- Joint ventures, partnerships and co-ownership arrangements
- Legal and regulatory compliance and risk management
- Market regulators, including ASIC, ASX and ACCC
- Mergers, acquisitions and disposals

Recent matters
